

Employment Attorney Elaine Turner in Entrepreneur -Can Employers in Certain Industries Require Covid Vaccines?

December 11, 2020

Entrepreneur

<http://entm.ag/xCwkHI>

As COVID vaccines begin being distributed around the world, employers across all industries in the U.S. are trying to figure out whether or not they can require their employees to get a vaccine once it becomes widely available.

Elaine Turner is a shareholder/partner at the national law firm Hall Estill who has been practicing labor law for more than three decades in states all over the U.S. She says requiring mandatory vaccinations will come with some challenges. [READ HERE](#)
