

Hall Estill Recognized By Benchmark Litigation As Highly Recommended Law Firm

September 30, 2015

Hall Estill, Oklahoma's leading law firm, has been named as a "Highly Recommended Law Firm" in 2016 by Benchmark Litigation, a leading national law publication. This is the highest category a law firm may achieve through this publication. Additionally, five of the firm's attorneys have been recognized as "local litigation stars."

Attorneys Mark K. Blongewicz, J. Kevin Hayes, Michael E. Smith, Steven W. Soulé and D.K. "Ken" Williams, Jr. were those selected as "local litigation stars."

"It is a great honor for Hall Estill and its team of dedicated attorneys to once again be recognized by Benchmark Litigation," Hall Estill Managing Partner Michael D. Cooke said. "What is most rewarding is knowing that the counsel our attorneys are giving is benefiting our clients and they are genuinely pleased with our work."

Benchmark Litigation is the only publication on the market to focus exclusively on litigation in the U.S. The guide's results are the culmination of a six-month research period that allows their researchers to conduct extensive interviews with litigators and their clients. These interviews are conducted to examine the casework handled by the firms and ask sources to offer their professional opinions on litigators practicing within their state or national practice areas.
