On April 12, Oklahoma City bankruptcy and complex commercial litigation Attorney Tami Hines will present an Institute for Energy Law CLE *Practical Bankruptcy Advice for the Mineral Lawyer Representing Either a Creditor or Any Other "Party In Interest"*

This webinar will cover various bankruptcy issues and potential ramifications of a bankruptcy filing. Topics covered are intended to be useful for a mineral lawyer (even though that lawyer does not practice in bankruptcy) who wants to best protect his/her client as either a creditor or other party in interest during a bankruptcy.
