# Oklahoma Employment Attorney Chelsea Smith discusses Vaccine Mandate with Federal Times

September 9, 2021

*Federal Times*

<https://www.federaltimes.com/breaking-news/2021/09/09/biden-issues-full-vaccine-mandate-for-federal-employees/>

“Biden’s Order requiring federal workers to obtain the vaccine seems timely; after the FDA has authorized the Pfizer-BioNtech vaccine, I’ve seen private sector businesses moving to vaccine mandates. Six months ago, mandates seemed to be rare and employers ‘strongly encouraged’ the vaccine,” Chelsea Smith, labor and employment attorney at the Hall Estill law firm, said in a statement.
